

MARQUETTE DOG PARK FRIENDS

OUR MISSION

Dedicated to creating a safe, friendly, accessible off-leash space for dogs and their humans to recreate in the summer beauty of the City of Marquette.

A 501(c)(3) organization
Lake Superior Community Partnership
Foundation, Fiscal Sponsor

HELP US BUILD MARQUETTE'S FIRST WARM-WEATHER, OFF-LEASH COMMUNITY DOG PARK!

Public ordinances prohibit off-leash dogs on City trails, beaches, and parks. Tourist Park offers a sanctuary November to April, but during the warmest, longest days of the year, the ban on off-leash exercise leaves dogs and owners without options.

A fenced wooded space, with trails of our own

Marquette Dog Park Friends is raising \$350,000 to build 8.8 acres of fenced, accessible park on Board of Light & Power land — featuring a 6.3-acre large dog area with wooded gravel trails, a 1-acre small dog area, and 1.5 acres of open green space.

Why this matters

Because people need exercise and social time, too! The dogs-only trails of the off-leash park will make it possible for dogs and owners to enjoy the outdoors together.

Private Build

100% privately funded through donations and grants – no City tax dollars used.

Public Care

The City of Marquette maintains the park after construction is complete.

Tax-Deductible

All donations are tax-deductible via our fiscal sponsor, Lake Superior Community Partnership Foundation.

BE A PAW PARTNER!

Your support brings Marquette closer to its first warm-weather, off-leash dog park. Every dollar funds fencing, trails, benches, and accessibility features across 8.8 acres of community space.

In-kind donations of materials or labor are also welcome. Naming opportunities range from Ore-Level Paw Partner (\$500-\$999) to Platinum-Level Paw Partner (\$25,000+), with recognition on signage, social media, and more. Together, we can raise \$350,000 to make this park a reality.
